Subject: Pistachio Recall Over

Dear Valued Customer,

This past April, Ricci & Company issued a **VOLUNTARY RECALL** of our Natural Pistachios and Raw Shelled Pistachio nuts. This was a precautionary measure which we chose to take in order to ensure the safety of our customers.

We have a new supply of Natural Pistachios and Raw Shelled Pistachios which will satisfy your needs.

Ricci & Company is a family owned business celebrating its 90th Anniversary this year. We will continue in our long standing commitment to provide our customers with quality merchandise and excellent service.

Sincerely,

Denise Rebollo, V.P.
